Re: 2025 Street Resurfacing: Nova Chip

Dear Resident:

The Upper Dublin Township Board of Commissioners has budgeted funds to resurface your street in 2025. Weather and equipment permitting, the final surfacing installation is scheduled to begin on Friday, August 1, 2025. The work will be performed by Asphalt Maintenance Solutions, LLC.

Temporary "No Parking" signs and door hangers will be posted two (2) days before the start of paving on your street. The tentative schedule is provided below. Please visit the Township's Public Works page frequently for the most current updates to this schedule.

**The following streets are scheduled for Nova Chip Paving:**

STREET	FROM	TO	NOVA CHIP RE-SURFACING
Benjamin Drive	Executive Drive	Clinton Drive	8/1/2025
Wright Drive	Howe Lane	Bell Lane	8/1/2025
Wooded Lane	Benjamin Drive	Benjamin Drive	8/1/2025
Dawn Drive	Holmes Road	Springhill Drive	8/2/2025
Twining Road	Wischman Avenue	Fairway Road	8/2/2025
Farm Lane	Melissa Drive	Schiavone Drive	9/18/2025
Schiavone Drive	Farm Lane	Van Sant Lane	9/18/2025
Thelma Lane	Melissa Drive	Van Sant Lane	9/18/2025
Van Sant Lane	Schiavone Drive	Highland Avenue	9/18/2025

Before paving begins, these streets will be swept by Township sweeper trucks. Residents are asked to refrain from on-street parking and to minimize driveway traffic during this time so crews can work quickly and safely. Township inspectors will be on-site to monitor all work.

If you have any questions, please feel free to contact Rebecca Barrett (Public Works Administrative Assistant) at 215-643-1600 (ext. 3810).

Thank you in advance for your cooperation.

Sincerely,

**Ralph C. Alessandrini**  
 Public Works Director
